**Conditions:** The AUSTRALIAN PATRIOTS PARTY will not conduct or support any public protests because public protests create an opportunity for disruptive behaviour by others and create an opportunity for media to damage our reputation and brand. Some people join political parties to create problems. Our reputation is of great importance and is represented by our name and logo. The use of our Logo and the trademark name AUSTRALIAN PATRIOTS is protected. Members must not claim or endorse their own political views as being those of Australian Patriots, nor use our logo to endorse their personal views. Members are always free to share their own views in social and other media without using the Australian Patriots name or declaring yourself to be a member. You may use any official posts created by the party for promotion purposes. Members may share and repeat approved positions of the Party or any policy or discussion used by the party in its own use of media. This simply means that if we say it, you can repeat it. We will conduct our affairs with dignity, truth, evidence and fairness.

**Declaration:** I have read and accept your terms of membership. I am not a member of any other political party. I have read and accept your stated policy details displayed on your website at [www.australianpatriots.net](http://www.australianpatriots.net). I/WE hereby give MY/OUR undertaking that I/WE understand that I/We are entering a contract of membership which can be cancelled at any time by either party. Such a cancellation of my/our membership by Australian Patriots may be exercised without any recourse by the undersigned. I/WE accept that if I/WE decide I/We no longer support your policies, I/WE may simply cancel My/OUR membership in writing. If I/WE conduct ourselves in a manner that causes damage to the reputation of the Australian Patriots Party in any way, I/WE will be in breach of this contract of membership and it can be cancelled forthwith by the Australian Patriots Party by giving ME/US written notice.
